PRESENTATION

Today's presentation was our HOBY event. HOBY is a leadership conference for sophomore's going to be juniors. Each building can recommend up to 2 students who demonstrate leadership. Their motto is Excel, Lead, Empower. One of the students stated they learned more than anything, "Be a leader, but don't lead alone." We had 4 students with us today and they discussed the seminar and how HOBY has impacted them and they thanked the club for our sponsorship.
